# BREATHE EASIER KNOWING YOUR LOVED ONES ARE SAFE, 24 HOURS A DAY.

***Giving you peace of mind.***

**With the push of a button, a life can be saved.** That's why the most advanced personal emergency response monitoring system in the world is also the easiest to use. No matter what the emergency, your loved ones can have the personal attention they deserve—at their fingertips, 24/7, 365 days per year.

Just one push of the SeniorCare pendant and our "hands free" 2-way voice response system will put you in touch with our emergency personnel who are on the line, quickly identifying the problem and dispatching the appropriate response teams. It's the ***immediate care*** you expect from a personal protection system, and the security you need for total peace of mind.

## COMPLETE SAFETY, LIGHTWEIGHT AND PORTABLE

Our small transmitter provides all the security and fast emergency response... because it's so light, it can go anywhere in your home you do and it's virtually unnoticeable.

- Ultra-lightweight
- Wearable on the wrist or around the neck
- Completely waterproof
- Pre-programmed, ready-to-use
- Notifies our emergency monitoring center with the touch of a button "hands free" 2-way voice

## 24-HOUR MONITORING CENTER

Trained emergency responders are on call 24/7, 365 days per year. When our skilled professionals are alerted by a transmission, your loved ones medical information and location are instantly displayed on our screens.

- Fast dispatch of appropriate response teams
- Talk directly with our monitor center 24/7
- The monitoring center will also alert family members or friends

## ADDED PROTECTION FOR ANY SITUATION

- 5-year battery life in transmitters
- Base unit includes 5-day emergency battery backup
- Automatic battery-check
- Power outage & phone line failure warnings

## TAKE ACTION TODAY AND PROVIDE YOUR LOVED ONES WITH THE SECURITY OF A PERSONAL EMERGENCY RESPONSE SYSTEM.
